 4:36:52 ..... ETTLINGER, MARK ..... WAVE SKI KAYAK  
 4:37:38 ..... BOSSE, NORMAND ..... TSUNAMI X-1 ROCKET

## Coming Up! The First Annual **Rollover Race** **Race Rollover**

This is a demonstration/competitive event, designed to increase awareness of the importance of self-rescue capabilities. The event involves the use of self-rescue skills and equipment in a near-shore setting where assistance (provided by CARC) is readily available. The course consists of a sprint paddle or row, an intentional capsiz (in 6 to 10' of water), recovery, and sprint paddle or row to course completion.

There are four classes with awards: open pulling boats, decked pulling boats, open kayaks, and decked (sit-on-top) kayaks. Kayakers Please Note: Be prepared to do a wet exit—roils don't count. Fastest time in each class determines the winner.

So come on in!

Where ..... Niles Beach, Gloucester, MA

When ..... Saturday, August 15, 1992, 1:00 P.M.

Costs ..... \$6/Boat/Members, \$8/Boat/Non-members

Bring ..... PFD, Whistle or Horn, & Lunch

Parking ..... Along the street heading to the back shore uphill from Niles Beach

More Info ... Chuck Mainville (508) 443-4238

Nancy Lubas (508) 546-2874

**And If You'd Like to Make a Day of It** and do a good fun deed at the same time, be at Niles at 9:30 A.M. and sign on to serve as an escort boat for Massachusetts Audubon's 14th Annual Swim for a Clean Harbor.

We've been present at this event for the past three years. The swimmers are awesome, and appreciative of our presence as we are appreciative of the presence of the Safety Fleet during the Blackburn Challenge — let's be reciprocal!
